Our Policy

AS IT is of first importance, in order to establish friendly relations with the trade, to adopt such a system as may insure their confidence and good will, it is manifestly necessary to adhere as nearly as possible to a fixed commercial policy of *fair dealing to all, and of especial favoritism to none.* No house can appreciate more than ourselves the generous support accorded us by the trade throughout the country. Our desire is to merit their continued esteem and confidence, which we believe may be attained in the greatest degree *by treating all alike.* To show especial favoritism to any one of our customers, would, in all probability, cause even the customer to conclude, and justly so, that his neighbor was, perhaps, receiving still greater favors than himself.

TERMS OF SALE.—Our goods are sold *30 days net, f. o. b. Detroit.*

REMITTANCES should be made by postoffice order, express money order, or bank draft current in Detroit or New York.

Our responsibility ceases when goods are reecipted for in good order by the transportation company, to whom all claims for damage, shortage and delay must be made, unless traceable to causes existing in our factory.

Our Product

LIGNINE CARVINGS are practically *unbreakable,* being of much greater strength than wood. Test LIGNINE CARVINGS under the hammer. They will stand the *roughest usage.* Will not *break, check, chip, crack, nor shrink.*

LIGNINE CARVINGS are exact reproductions of hand-carved oak, mahogany and walnut models with full depth of grain.

We can reproduce special and exclusive designs, to order—and are glad to quote prices on this class of work.

LIGNINE CARVINGS can be *nailed, screwed, bradded and glued,* the same as wood. Can also be tooled.

LIGNINE CARVINGS finish the same as wood, with filler or stain. No steaming nor weights are used in attaching LIGNINE CARVINGS.

No shop waste on LIGNINE CARVINGS. LIGNINE CARVINGS do not have to be used when "fresh," like putty composition, but are ready for use at any time—be it today, tomorrow or next year.

LIGNINE CARVINGS will help sell your goods at *higher prices,* without increasing their cost.

We solicit your orders with the assurance that LIGNINE CARVINGS will prove entirely satisfactory.
